

UltraKill®

RACQUETBALL STRINGS

[ZYEX® TECHNOLOGY]

The UltraKill family of racquetball strings features a Zyex core encapsulated with a high tenacity monofilament nylon wear surface

UltraKill® 18

MAIN FEATURES

[ULTRA PERFORMANCE MAINTAINS TENSION]

POWER :

FEEL :

TENSION STABILITY :

DURABILITY :

THE BENEFITS

UltraKill 18 is 1.15 mm in diameter with a multifilament Zyex core for ultra soft feel and superior resilience. The textured surface and thin gauge maximizes the ability to impart spin and cut the ball.

1.15 mm [18 gauge]

ZYEX® TECHNOLOGY

12 metres [40 feet]

UltraKill® 17

MAIN FEATURES

[ULTRA POWER MAINTAINS TENSION]

POWER :

FEEL :

TENSION STABILITY :

DURABILITY :

THE BENEFITS

UltraKill 17 is 1.25 mm in diameter with a multifilament Zyex core for a superior combination of power and resilience. The textured surface increases ball control and spin characteristics.

1.25 mm [17 gauge]
